**The Structural Pest Control Service performs criminal history searches on all license applicants and licensees, including those applying for renewal of an existing license. At minimum, criminal history information is sought from the Texas Department of Public Safety. This process may delay agency action on a license application, if the applicant's criminal history reveals an arrest for, conviction of, or a plea of guilty to a criminal offense. If an applicant's or licensee's criminal history reveals a conviction or plea of guilty to a criminal offense which relates to the occupation of structural pest control, the applicant will be asked to submit additional information to demonstrate the applicant's current fitness to be licensed. Failure to submit the requested information, submission of false or misleading information, or failure to demonstrate current fitness to be licensed may result in denial of the application or revocation of an existing license.**
